1) Audit Module General Interface - Columns

The screenshot displays the ECOS 'My Tasks' interface. At the top, a navigation bar includes the ECOS logo, 'My Tasks', and icons for download, notifications, and user profile. Below this, a dashboard shows counts for various modules: IRB (1), CRMS (0), FCOI (0), Monitoring (0), Compliance (0), and Audit (0). The 'Audit' module is highlighted with a red box. A sidebar on the left contains links to 'Homepage', 'Dashboard', 'My Tasks' (highlighted with a red box), 'My Notices', and a list of modules: IRB, CRMS, Compliance, Audit, and Monitoring. Below the dashboard, a table lists tasks with columns for Form Type, ECOS Ref, Study Site, Auditor Name, Date Sent to PI, and Action. A 'Columns' configuration dialog is open in the center, showing a list of columns with checkboxes and drag handles. The dialog has 'Clear', 'Cancel', and 'Save' buttons at the bottom. Numbered callouts (1, 2, 3) point to the 'Columns' button, the dialog, and the 'Clear' button respectively.

5. Click **“Edit”** to start completing the form.
6. Fields marked with*are **mandatory for completion**.
7. The **“Save”** button will appear after you click the **edit** button. Click on **“Save”** **intermittently** to ensure the edits have been saved successfully.
8. Site staff can **upload supporting** document for CAPA. There will be a reminder **not to attach document containing personal identifiers**.
9. After the CAPA form has been saved for one finding, the user can navigate to next finding to continue drafting CAPA. After CAPA is completed for all findings, the PI can click **the “Submit”** button to send the CAPA to auditor.
10. The PI will receive **an email notification if CAPA is acceptable and when auditor closes the audit**.
11. The **site audit status** changed to **“Site Audit Closed”**.

5) How to View and Reply CAPA Query

The screenshots illustrate the process of viewing and replying to a CAPA query:

- Step 1:** The 'Finding Detail' page shows a finding with a 'CAPA Pending Completion' status. A red dot next to the 'Query List' button indicates a pending action.
- Step 2:** Clicking the 'Query List' button opens a sliding window titled 'Query List'. It shows a list of queries, with the 'Pending Query' tab selected.
- Step 3:** In the 'Pending Query' tab, a query is displayed with a 'Reply Query' button. Clicking this button opens a 'Reply Query' form.
- Step 4:** The 'Reply Query' form shows the query details and a 'Confirm' button. The 'Confirm' button is highlighted.
- Step 5:** The 'Confirm' button is clicked, and the query is updated.

1. If the CAPA is queried by auditor, a **red dot** will appear beside the '**Query list**' button to indicate that there is an action pending (i.e. to address the query).

2. To **view query(ies)**, click on the "**Query List**" button. A sliding window will appear, where you can view and respond to the query(ies).

3. Query(ies) are **organised according to the respective sections of the findings**. To address each query that is currently pending response, you will need to **enter your reply under "Pending Query" tab > "Reply Query"**.

4. You can view all queries under "**All Query**" tab.

5. Remember to revise the CAPA before clicking "**Reply Query**" to auditor.

6. Click "**Confirm**" to proceed with reply query.

Note: The study team can view the track changes after the CAPA is submitted.
