Submit Application

- Who can make a submission on ECOS?
- Create New Application / Forms

Who can make a submission on ECOS?

The Principal Investigator (PI) holds the overall responsibility for the preparation and completion of the submissions to the DSRB. The PI must maintain an overview of all submissions, even if tasks are delegated to other research staff.

For submissions on ECOS, Study Sponsors and site staff (i.e. Study Administrators or Study Team Member) can all view and edit the IRB forms.

Please refer to the table below on the roles and responsibilities PI, Site PI and Co-I:

IRB Form	Who can submit on ECOS?		
	PI	Site PI	Co-I
➤ Initial IRB Application ➤ Amendment ➤ Study Status Report (SSR) ➤ Study Deviation or Non-Compliance Report (DNC) ➤ Other Study Notification (OSN)	✓	×	×
Serious Adverse Event (SAE)	✓	✓	✓
UPIRTSO (UPT)	✓	✓	×

Create New Application

- All users who has access to IRB module will be able to create an IRB Application (APP) Form.
- Investigators (PI, Site-PI, Co-I) added to the IRB APP form will appear on the CRMS User Authorisation List following synchronisation between the IRB and CRMS modules. ([More information on CRMS in the later slides](#)).
- Investigators will be able to access CRMS pages for the study, in addition to the IRB APP Form.
- As for Study Team Members / Study Administrator / Study Sponsor (STM / SA / SS) since they cannot be added to the IRB APP Form, the system will prompt them to select their Study Site and Study Role when saving the form **for the first time**.
- Once completed, the STM / SA / SS will be added to the User Authorisation List in the study's CRMS. The STM / SA / SS will have access to CRMS and continue to have access to the IRB APP Form.
