2) Endorse a study

The screenshot displays the 'Endorsement Detail' page for a study identified by the ID '2024-3344-APP1'. The status is 'Pending Endorsement'. The page includes a navigation bar with a 'Back to My Tasks' link and a download icon. On the right, there are icons for a query list, a 'Send Query' button, and a 'Reject' button (marked with a red 'X') and an 'Endorse' button (marked with a blue checkmark). These two buttons are enclosed in a red rectangular box. To the right of this box is a green square containing the number '2'. The main content area lists study details: 'ECOS Ref: 2024-3344', 'Form Type: Application', 'Form Outcome: -', 'Initial Review Category: -', 'Current Editor: -', 'PI/Site PI: Dr TTSH_P1 (Tan Tock Seng Hospital)', and 'Study Title: Develop User Guide for Users'. A 'Quick Link' to the 'Study Summary' is provided. At the bottom, there are tabs for 'Form Detail' and 'Endorsement', with 'Form Detail' currently selected.

- You will arrive at **Endorsement Detail** page.
- **2** After you have reviewed the information, you can click on the **Endorse** button on the top right corner. **Reject** button should only be used if you do not support the conduct of the study.
- Refer to Section 3 if you would like to learn how to send a query to the study team.

3a) Send a Query

The screenshot shows a web interface for an 'Application Form'. At the top, there's a header 'Application Form' with a download icon. Below it, a section titled 'Section A: Study Title' is visible. A question is listed: '* A1. Please enter the Study Title for this Study.' To the right of this question is a teal button labeled '1' and a dropdown menu labeled 'Query' with a downward arrow. Below the question, there is a text input field containing 'Develop User Guide'. To the right of this field is another teal button labeled '2' and a button labeled '+ New Query'. A red rectangle highlights the 'Query' dropdown and the '+ New Query' button.

- **1** After you have reviewed the information of the study, if you wish to send a query related to a question on the IRB application form, click on the **Query** button next to the question of the form. A drop-down button will be shown.
- **2** Click on **+ New Query** to issue a new query. If you would like to re-query on an issue queried earlier, please refer to Section 3(c) on Re-query.

3a) Send a Query

The screenshot displays a web interface for sending a query. On the left, the 'Application Form' is visible, showing a 'Section A: Study Title' field and a required question: '*A1. Please enter the Study Title for this Study.' with the answer 'Develop User Guide for Users'. On the right, the 'Query List' is shown, with a dropdown menu set to 'Tan Tock Seng...'. The 'Pending Query' tab is active, showing a progress bar for '0/0 Pending Handling'. A red box highlights the query header 'A1. Please enter the Study Title for this Study.' in the query list. Below this, there is a 'Query Description' field with the placeholder 'Please enter' and an 'Attachment' section with an 'Upload' button.

Note: The query window will appear from the right in the foreground. If you do not wish to proceed to query, click on the application form main page in the background, and the sliding window will disappear.

2 You will see the question of the application form reflected on the header of the query.

3a) Send a Query

The screenshot displays the IRB application form interface. On the left, the 'Application Form' section shows the application details for '2024-3344-APP1' with a 'Pending Endorsement' status. The 'Form Detail' tab is active, showing 'Section A: Study Title' with the text 'Develop User Guide for Users'. On the right, the 'Query List' section is visible. The 'Query List' header shows 'Tan Tock Seng...' and a '+ General/Section Query' button (highlighted with a red box and labeled '3'). Below the header, the 'Query List' shows '0/0 Pending Handling' and '0 Queries Selected'. A dropdown menu is open, showing 'General' (highlighted with a red box and labeled '4'). The 'Query Description' field is empty, and the 'Attachment' section shows an 'Upload' button.

- **3** If you wish to query on a General question (not specific to any question listed on the IRB application form), click on **+General/Section Query** on the top right corner.
- **4** You will see the header of the query reflected as **General**.

3a) Send a Query

The screenshot shows a web application interface for sending queries. On the left, there's a sidebar with a 'Back to My Tasks' link and a header 'Endorsement'. Below this, the application ID '2024-3344-APP1' is shown with a 'Pending Endorsement' status and a refresh icon. The ECOS Ref is '2024-3344'. There are two tabs: 'Form Detail' (selected) and 'Endorsement'. The main content area is titled 'Application Form' and contains 'Section A: Study Title'. A red asterisk indicates a required field: 'A1. Please enter the Study Title for this Study.' Below this, there's a text input field containing 'Develop User Guide for Users'. On the right, a 'Query List' is shown for 'Tan Tock Seng...'. A red box highlights the 'Saved at 23-Apr-2024 15:17:54' timestamp, labeled with a green '7'. Below the list, there's a 'Pending Query' section with a progress bar '0/0 Pending Handling' and a 'Batch Close' button. A red box highlights the query details for 'A1. Please enter the Study Title for this Study.', labeled with a green '8'. Inside this box, there's a text input field for the 'Query Description' containing 'Please revise the study title', labeled with a green '5'. Below the description, there's an 'Attachment' section with an 'Upload' button, labeled with a green '6'.

- **5** Input your query into the text box.
- **6** Optional – You may upload an attachment by clicking on the **Upload** button.
- **7** Query will be auto-saved by the system if connected to the Internet.
- **8** If you wish to delete the query after it has been created, click on this icon .
- Click on the Endorsement Detail Page to close the sliding window after you have completed your queries.

3a) Send a Query

- **9** If you would like to view the queries before sending, click on **Query List** to prompt the Query window. A red dot indicates new information.
- **10** Click on the **Send Query** button.
- **11** A confirmation pop-up box will appear with the list of queries to be sent. If you do not wish to proceed, click on **Cancel** to return to the previous page.
- If you wish to proceed, click on **Confirm**.
- Your query has been sent successfully! You will return to the Endorsement Detail Page and this icon  will be seen denoting you have queried the PI. (NB: the task will still be seen on your Endorsement Page)

3b(i) Close a Query (Individual)

The screenshot shows the 'Endorsement Detail' page for application 2024-0356-APP1. The status is 'Pending Endorsement'. A green callout box with the number '1' points to the 'Query List' button, which has a red dot indicator. Below the callout, a note explains that queries need to be closed before endorsing or rejecting, and that individual queries or batches can be closed. The page also shows fields for Form Type, Form Outcome, Initial Review Category, Current Editor, and PI/Study PI. The 'Application Form' section is partially visible, showing 'Section A: Study Title' and a text input field with the value 'Develop User Guide for Users'. A green callout box with the number '2' points to the 'Manage Query' button in the bottom right corner.

Note: Queries need to be closed before the **Endorsed/Reject** buttons are enabled. You can choose to close an individual query or multiple queries in batches (See Section 3b(ii)).
